PRELIMINARY REPORT ON A NUMBER OF BUDDHIST TEMPLES IN VIET NAM

- At the PNC 2008 Conference at Hanoi Polytechnic University, we have reported on the main result of the ECAI work at Vietnam Buddhist University. In that report, we have divided the ECAI work in two principle groups.

PRELIMINARY REPORT ON A NUMBER OF BUDDHIST TEMPLES IN VIET NAM

- The first group deals with the material still extant in woodblock printed material and stone inscriptions. The second group has the main task of collecting field data, i.e., taking photographs of existing Buddhist Temples...
